Quick Service* meals are self/counter service, great for casual dining or pit stops between the excitement of the Parks. You can eat at over 50 locations across the Resort, and choose from a huge array of different foods too—from soups and sandwiches to pasta, pizza, salads, grills, barbecue and burgers.

Waiter Service meals are for when you want to sit down in a restaurant and relax over your meal. Choose from over 100 different dining venues to have your order taken and be served at your table by friendly wait staff. Dine in style on international flavours (from European and traditional British to Asian and American styles), plus you can also opt for award-winning gourmet fine dining or even a Character dining experience.

When you need something to keep you going throughout the day, the *Disney Dining Plans* take care of this too. Snacks are available at Quick Service* and snack carts through the Resort, and there's plenty to tickle your tastebuds, like soft drinks (fruit juices, mineral water, and hot drinks like tea, coffee and hot chocolate), popcorn, ice cream and also fresh fruit.
